About Us

Students Hub is an international student recruitment agency for studying in Malaysia. We operate from our office in Kuala Lumpur City Center and a branch in Syria. Our focus is on making dreams of studying in Malaysia achievable for prospective candidates by bridging the gap between them and the institutions of their choice. We are committed to making travelling for educational purposes simple.

We have been in existence over the past 7 years with hundreds of students from over 20 countries already recruited to join various reputable academic institutions in the country. Our goal is to provide the best solutions and seamless experience to students seeking quality education in international institutions in Malaysia.

Our team is available to assist and answer your inquiries wherever you are, guiding you correctly throughout our working hours. We will connect you to the best Universities to continue your education and inspire your success.

Step by Step Guide

01. Discussion

Evaluate your documents and discuss choices.

02. Decision

Select your program/ University.

03. Application

We will compile your documents and apply on your behalf.

04. Acceptance

We will get your acceptance letter and make the required arrangements.

05. Visa

Transfer the visa fees (directly to the University) and our team will follow up on your application till the Visa approval issuance.

06. Fly

Travel to Kuala Lumpur where our team will be waiting to welcome you upon arrival.

What We Do

We Connect Students to the Best Academic Institutions in Malaysia

Students Hub is a top-notch educational consulting service provider that aims to connect students to the best institutions in Malaysia for pursuing their academic activities. We are not just service providers but experienced counselors that provide tailored assistance and communication around the clock to fulfill all your needs.

We Provide Support for Students on their Academic Journey

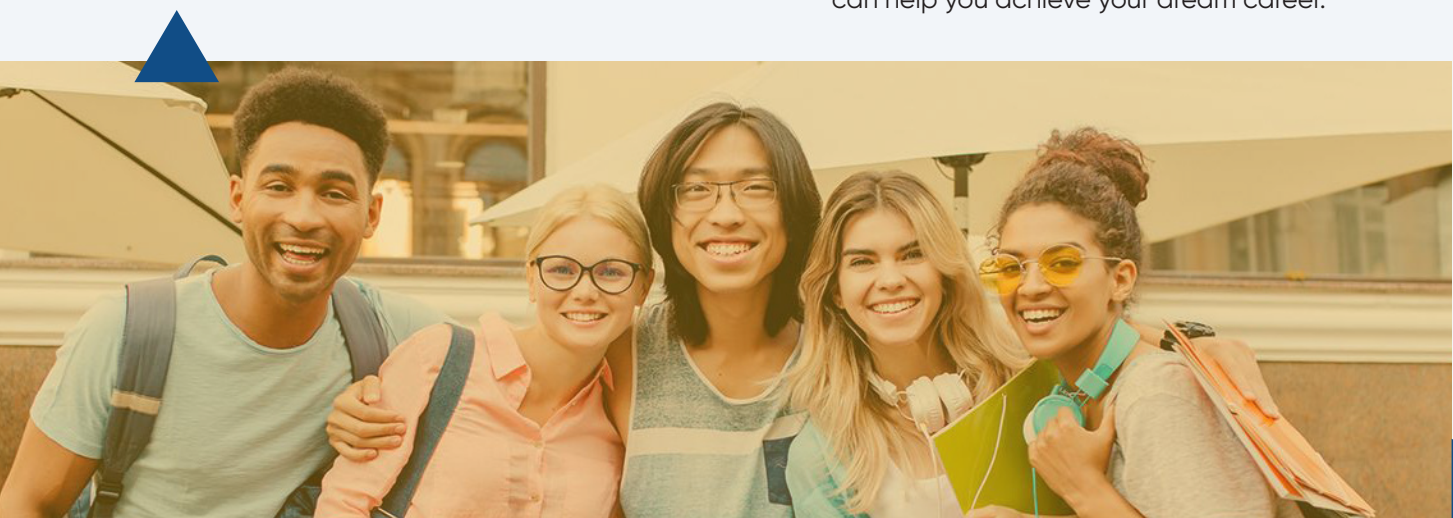

We provide a complete spectrum of services that entails everything the student needs to secure admission into the best universities, process their traveling documents, provide necessary guidance and counseling, assist the student in settling down in the new environment, and offer continued support. The success we have recorded thus far is hinged on working closely with prospective students to understand their needs and facilitate their seamless transition to the institution of their choice with appropriate support each step of the way.

We Partner with Top-Notch Academic Institutions to Attract Suitably Qualified Students

With over 30 recognized universities and higher institutions partnering with us, students are exposed to wide options and better privileges as they seek to realize their dream of studying abroad. We match students with the path to achieve their educational dreams and onward to success. Candidates can choose from a wide range of programs that are suitable for their budget and timetable after which they discuss their decision with our team and get their student visa approved within a month.

We Turn Academic Dreams to Reality

We work with each student to understand their aspirations, work out a plan that suits them, and connect them to the best universities that will eventually support their aspirations and facilitate the achievement of their goals. No matter the kind of education you seek- Foundation Bachelor's Degree, Master's Degree, Ph.D., etc. or your field of study- Engineering and Technology, Sciences, Arts, Business Management, Law and Politics, Medicals, etc. we are the hub that provides bespoke guidance and support; we can help you achieve your dream career.

Our other activities are:

1. Students Hub will provide an academic consultant to guide you until you reach your decision (Desired program) and to register according to your interests at your appropriate costs.
2. Step by step with you throughout living costs, accommodation, University recognitions, and obtaining the letter of offer at your desired University.
3. Follow up and contact the University on your behalf to guarantee ease and smoothness of student registration, visa issuance, and arrival.
4. Provide you with appropriate English language programs in the best language centers in the capital, Kuala Lumpur, to suit your goals.
5. Customer support via our website wherever you are during working hours.

We are here to inspire you to succeed and facilitate outstanding international student experiences.

Our Educational Services

1. Free of charge academic consultation, guide you to choose the most appropriate field of study.
2. Provide Partial Scholarship opportunities.
3. Dual and Double Award Bachelor Programs (Partners with the UK – US Universities)
4. Providing a detailed explanation about Universities and their recognitions and Admission procedure/requirements.
5. Simplify the registration process for the desired program with educational institutions in Malaysia.
6. Assist with filling University's required forms, providing the necessary travel instructions, and getting the visa.
7. Follow up on the issuance of the initial University offer and follow up with the student from the time of application and decision-making until obtaining the visa.
8. Providing English language programs at the best language centers in the capital, Kuala Lumpur.
